significantly after January but prior to August, the school may petition the T★CAL Football Commissioner and DEC for hardship recourse.

- 22.3.** Ideally, any Division shall consist of a minimum of 8 schools that are participating in football.
- 22.4.** Ultimately, T★CAL’s desire is to have approximately equal number of schools between the 2 Divisions with reasonable geographic representation.

- 23.7.** A member school may be designated as an “At-Large” classification in the event the school’s location does not allow them to be a meaningful participant in an established District due to extreme travel.

24. *Scheduling of District Games.* Each T★CAL team is to schedule a game with each team within its District. It will be the win-loss record within District play that becomes a primary determination of Post Season play eligible teams.

- 24.1.** In 2012, T★CAL teams are expected to make scheduling efforts for their district opponents as much as possible without canceling a game with non district schools that would jeopardize the reputation of the T★CAL school or the T★CAL League. This effort shall be a priority for T★CAL teams to maximize district games for 2012.
- 24.2.** In 2012, T★CAL teams are expected to make every effort to schedule each district opponent in the latter half of the regular season.
- 24.3.** In 2013 (and future seasons), T★CAL teams are required to schedule each district opponent in the latter half of the season. Each team should routinely “block” the weeks in the regular season for district play. The number of weeks “blocked” should be the number of teams within the district minus 1.

Eligibility

25. Consecutive Years. A student may participate in T★CAL contests during a normal program of high school courses. This participation typically occurs over a period of four consecutive calendar years after the student first enrolls in the ninth grade. In exceptional cases an eighth grader may participate with a high school team as a member of the Varsity roster thereby eventually participate a total of 5 years (assuming other eligibility requirements are met).

25.1. Every consideration should be given by the school/program to maintain the safety of the eighth grade student on the field of a Varsity contact sport.

25.2. In the event that an eighth grader is participating in a high school program a signed waiver must be on file at the state office, prior to said student participating in any aspect of the program.

26. Age Requirements:

26.1. A student may not be 19 years of age on or before Sept 1 of each calendar year.

26.2. A birth certificate attested by the appropriate official is the best evidence of the date of birth. If this evidence is not available, other credible evidence of the date of birth may be considered.

27. Academics. Schools/Organizations are expected to monitor their students and ensure that academics are a primary pursuit in student life and athletics are secondary to academics.

27.1. Schools/Organization shall ensure students achieve and maintain a passing grade (e.g. 70 in the scale of 100) in order to maintain eligibility for athletics.

27.2. Students are allowed to have a grade below 70 in a single class and remain eligible so long as the coach concurs that it is in the best interest of the student to remain eligible.

27.3. Students that fail to maintain a 70 in two or more classes are academically ineligible for athletic games until which time the school/organization reviews their academic performance and determines the student is no longer below a 70 grade performance. This period of review shall not come any sooner than three weeks after ineligible status is identified.

27.4. Schools/Organizations reserve the right to hold their students to higher academic requirements for eligibility if desired.

28. Challenge of Eligibility. If a student's eligibility to compete in a T★CAL contest is questioned, the student has the burden in any proceeding to establish that he or she is eligible.

29. INDIVIDUAL REPORT FORMS. It shall be the responsibility of each school to keep on file the following required annual forms for each student who participates in any practice, scrimmage, or game.

29.1. Medical. Upon entering high school and during his Junior year, a *MEDICAL*

HISTORY and *PHYSICAL EXAMINATION* form must be completed by each student. A standardized form is available from the T★CAL website, which school officials may furnish to physicians if they wish. This form is to be kept on file in the school office. The form is not to be sent to the T★CAL office unless requested.

29.2. *Parent or Guardian Permit.* An annual participation Permit signed by the student's parent or guardian is required and kept on file in the school office. Since it provides parent's permission for travel, etc., the coach may keep a copy with him/her. **THE FORM IS NOT TO BE SENT TO THE T★CAL OFFICE UNLESS REQUESTED.**

29.3. *Rules Acknowledgment - Student.* An annual T★CAL Rules Acknowledgment Form signed by the student and the student's parent or guardian is required and kept on file in the school office. **THE FORM IS NOT TO BE SENT TO THE T★CAL OFFICE UNLESS REQUESTED.**

29.4. *Rules Acknowledgment - Coaches.* An annual T★CAL Rules Acknowledgment Form signed by each team's coach is required and kept on file in the school office. **THE FORM SHALL BE SENT TO THE T★CAL FOOTBALL COMMISSIONER.**

Transfer Rule & Transfer Students

- 30.** The T★CAL **Transfer Rule** has been developed to protect, not inhibit students who wish to participate in interscholastic competition.
- 31.** The **Transfer Rule** is preventative and is devised to eliminate the incentive to transfer schools once a student (family) has initially enrolled in and attended a school of their choice.
- 32.** The **Transfer Rule** is designed to protect students who have previously participated in interscholastic competition at any school from being replaced by students who transfer for athletic or other purposes, including the affects of student, or family, shopping for schools or being recruited for athletic purposes.
- 33.** The **Transfer Rule** encourages fair play, discourages the abuses of overenthusiastic promotion of school programs, and protects the integrity of interscholastic athletic programs for both member schools and the T★CAL organization.

33.1.1. *Previous Participation at a Different School.* Refer to T★CAL bylaws section 8.02 sections a-c. If a student participated in a sport in either sub-varsity (JV) or varsity in the 9th, 10th, 11th, or 12th grade during the current school year, or 9th, 10th or 11th grade during the previous school year **at another school**, that student must have a Previous Athletic Participation (Transfer Form) completed and approved by the Football Commissioner before the student can compete at the varsity level at the new school.

33.1.2. Home school students, by nature, have more options to affiliate with multiple organizations in respect to their school academic objectives. Home school MAY NOT transfer from one organization to another in one school year. ***Transfer Procedures***-Parent and student shall complete and sign Part A of the Transfer Form. Part A should not be sent to the previous school.

33.1.3. Receiving School shall complete the top portion of the Transfer Form Part B. This information includes: (All information shall be typed)

- 33.5.** The Receiving School athletic director forwards the completed form (Part A and Part B) to the Football Commissioner who reviews the forms and signs the appropriate blank.
- 33.6.** Once the Football Commissioner signs the form, a copy is sent to all of the district member schools and to the T★CAL office.
- 33.7.** If any school raises an objection within 7 calendar days from the date they are notified, then a district meeting must be held in order to determine the student's eligibility. The student shall not be eligible until the meeting is held and eligibility affirmed. A simple majority vote shall be conducted by the Football Commissioner.
- 33.7.1.** If the Football Commissioner is involved in the transfer, a third person shall be appointed by the T★CAL office to review the forms and complete the procedure
- 33.8.** Denial of eligibility will be based on objective findings only. If there is not a violation of TCAL standards, eligibility will not be denied to preserve an athletic advantage over a member school.
- 33.9.** Appeals will be submitted to the TCALEB within 5 business days. Appeals will be processed as outlined in Section D.
- 33.10.** If the new student did not compete either during the current or the previous school year, a transfer form is not required.
- 33.11.** If the new student transferred from any school (public or private) or Home school Organization, and is in attendance on or before the Monday of Week 3, he/she is eligible to compete in varsity contests upon satisfactory completion of the transfer form approval by the Football Commissioner.
- 33.12.** New students may ONLY practice with the Varsity or Sub-Varsity and play on the Sub-Varsity while the transfer form is being processed. The Four Day Acclimatization Period is required in the same manner as any new player (beginning of the season). A minimum Wait Period of 7 calendar days is required prior to Varsity competition. The Acclimatization Period and the Waiting Period may run concurrently. For example, student transfers to a new (T★CAL) school on September 4th. The student may have a 4 day Acclimatization Period starting on his first day on the field (whichever day that is). The student is also not eligible for Varsity play at a date any earlier than 7 calendar days or September 11th (minimum Waiting Period). The student must receive approval by the Football Commissioner on the 11th or at any date after the 11th BEFORE he competes in a Varsity contest.

- 33.13.** Students who are not enrolled and in attendance at the member school prior to the deadline above may NOT participate in Varsity athletics until the next T★CAL season. The student may practice and participate on the Sub-Varsity level during this time.
- 33.13.1.** New students must be included on the original eligibility form or a supplemental eligibility form found on T★CAL website. The original or supplemental eligibility form, along with the completed transfer form shall be on file with the Football Commissioner and the T★CAL State Office **before** the student is eligible to participate in varsity competition.
- 33.13.2.** *Late Transfer Considerations.* In the event of a “late transfer” (i.e. after September 15th), a school/organization may petition the T★CAL Football Commissioner and DEC to request an exception to the general rule of no transfers after Sept 15th for Varsity competition. This request shall be completed in writing and verbally to present the individual and the circumstances that would create such a need. The Football Commissioner and DEC will review the request and make a final determination.
- 33.14.** When a coach is hired at a new school, a student who transfers to that school shall not be eligible for Varsity competition in a sport for a period of one year if any of the three are true:
- 33.14.1.** A coach in that sport coached or trained the student at the previous school.
- 33.14.2.** A coach in that sport coached or trained the student on an AAU, Select, Club or similar team during the previous 12 months.
- 33.14.3.** A coach in that sport at the new school was directly associated with the AAU, Select, Club or similar team as owner, manager, supervisor or similar position during the previous twelve months.
- 33.14.4.** EXCEPTION: Adopted or birth children are eligible if their parent who is the coach changes schools.
- 33.15.** The student/athlete may remain at the previous school for one year and retain his/her eligibility while there, and after one year transfer to follow the coach and be eligible according to the transfer rule (Section 104) or
- 33.15.1.** Transfer to the new school when the coach changes and be ineligible for varsity athletics for one year in the sports coached by that coach.
- 33.15.1.1.** If the previous school of the student and coach has closed, the above rule does not apply.
- 33.16.** *Post Season Competition Review of Transfer Students* T★CAL may review each school qualifying for the Semi Finals in team events for player eligibility.
- 33.16.1.** A survey may be forwarded to all schools prior to the State Semi-Finals.
- 33.16.2.** Schools shall return the survey by the date indicated by T★CAL.
- 33.17.** *Exceptions for Transfer Students* In the event a member school has an exceptional case for a student and would request it be considered, the school may set up a meeting with the Football Commissioner and the DEC to present its case

(both written and verbal) as a matter of exception. The Football Commissioner and DEC will originate a recommendation and forward along with supporting materials to TCALEB for final determination if the student is allowed to participate in Varsity athletics for the current season.
